WELCOME

Nigeria Shall Arise!

Prayer gives us a way to bring the needs of our nation before God. Over the next 70 days, we will pray for Nigeria’s spiritual renewal, the healing of communities, the rebuilding of institutions and the emergence of leaders who serve with wisdom and integrity.

Our central Scripture, 2 Chronicles 7:14 (NKJV), calls God’s people to humble themselves, pray, seek His face and turn from wickedness. Let that call shape both our intercession for Nigeria and our own choices as citizens, neighbours and followers of Christ.

The final ten days focus on credible elections, peaceful participation and responsible governance. Wherever you are, you can stand in prayer for Nigeria and put that prayer into practice through honesty, service and care for the people around you.

OUR CENTRAL SCRIPTURE **2 Chronicles 7:14 (NKJV)**

“if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.”

GETTING STARTED

How to Use This Guide

1. **Set aside time**

   Choose a regular time to pray. You can use this guide on your own, with your family or in a prayer group.

2. **Begin with the five section thanksgiving prayers**

   Turn to the introduction for your current ten-day section. Read its thanksgiving Scripture and pray the same five thanksgiving points at the start of each day in that section.

3. **Read the daily anchor Scripture**

   Open your Bible to the passage in the header. Read it in context and let it guide your prayers for the day.

4. **Pray through the five daily points**

   Read the references beside each prayer as time allows. Name the people, places and institutions that come to mind as you pray.

5. **Speak the declaration**

   Close by saying the declaration aloud. In a group, take turns leading the prayers and say the declaration together.

6. **Carry the prayer into your day**

   Ask God to show you one action you can take. It could be serving a neighbour, telling the truth when it costs you or helping keep peace in your community.
